**SUPPLEMENTAL MONTHLY REPORT**

Defendants respectfully supplement their Monthly Report Pursuant to the Court's Injunction for August 2021.

The fifth and sixth items in the Court's reporting requirement requests "(5) the total monthly number of 'applicants for admission' under Section 1225 paroled into the United States; and (6) the total monthly number of 'applicants for admission' under Section 1225 released into the United States, paroled or otherwise." ECF No. 94 at 53. As mentioned in Defendants' Monthly Report for August 2021, ECF No. 106, U.S. Customs and Border Protection (CBP) transfers a certain number of encountered "applicants for admission" to U.S. Immigration and Customs Enforcement (ICE) each month, but Defendants' counsel had not been provided information regarding the ultimate disposition of those CBP transferees as of the reporting deadline. ECF No. 106 at 4 n.4.

As provided in the attached Exhibit A, the U.S. Department of Homeland Security subcomponent ICE now reports that for the August 2021 reporting period ICE booked-in 29,384 noncitizens who had been initially apprehended by CBP. Of these, 28,553 were matched with CBP's U.S. Border Patrol apprehensions or CBP's Office of Field Operations encounters along the southwest border. Ex. A. Of the 28,553 noncitizens booked-in in August 2021 from CBP encounters along the Southwest Border, 20,986 were ultimately released into the United States, 387 were removed from the United States, and 6,880 remained in ICE detention. *Id.* Of those released by ICE, 92 were released on bond, 16,983 were released on an order of recognizance, 378 were released on an order of supervision, and 3,623 were paroled. *Id.*

As a result, DHS now reports that, combined with the 12,469 individuals paroled by CBP (reporting requirement #5), and the 65,766 applicants for admission under Section 1225 released into the United States paroled or otherwise by CBP (reporting requirement #6) in August 2021,

the total number of applicants for admission under Section 1225 paroled into the United States in August 2021 was 16,092, and the total number of applicants for admission released into the United States, paroled or otherwise, in August 2021 was 86,752.
